

At the BOD meeting held on November 16, the Board received a petition to remove Daniel Hoggard from the Board. This petition was signed by 26 homeowners that were verified as being in good standing. According to our Covenants, a committee of 12 members in good standing, who are not part of the original petition, and are not a member of the current Board, can be a member of that committee. In attempting to form an unbiased committee, the Board will accept volunteers from the general membership to serve on this committee. If you are interested, please visit, call or email the office and provide us with your name, address, phone number and/or email. This information will be written on a slip of paper and placed into a locked box. In early January, twelve names will be drawn from that box and the committee will be formed. This committee will determine whether the charges are adequate enough to proceed with removal, according to State Statutes. The copy of the original petition was read into the minutes on November 16 and will be posted online, after the minutes have been approved at the next Board meeting on December 14. To review the petition prior to it being posted on the CHA website, please visit the office.
