

10_17_2022 – EBLAST – FALL 2022 LIMB & BRANCH REMOVAL

The Fall 2022 CHA Limb/Branch Removal Program will begin November 7th - November 12th (Sector 1) and November 14th - November 19th (Sector 2)

Beginning October 31st, Sector 1 may begin placing all acceptable limb/branches curbside.

Beginning November 7th, Sector 2 may begin placing all acceptable limb/branches curbside.

After the 25th, ALL limb/branches not picked up, must be removed from the right of way.

This is for homeowners **only**, not for contractors or landscapers, and is designed so you do not have to take your yard debris to the landfill and pay for it. We look forward to another successful year.
