

## BLESSING OF THE FLEET - 2023

Due to the current weather forecasts, after discussions with other club members, the CYC has decided to postpone the Blessing of the Fleet.

Reverend Teresa has again agreed to Sunday, May 28 at 1:00 PM.

We are asking the participating boats to begin gathering/lining up in Tartan Inlet around 12:45.

Sunday morning we can make a determination to go ahead based on the weather conditions and forecast at that time. In the event that the weather remains foul on Sunday, the cancellation notice will be posted on the Colington Yacht Club web site.
